

**ECMAA'S SURVEY 2016**

ECMAA's Board have serious challenges, have had extreme difficulty attracting qualified new board members or regular members. The objective of this survey is to reaffirm ECMAA's 2011 Organizational statement or you provide us input in identifying current locally relevant issues that meet current community need. We want to have very positive impact on the success of the Association and to have joint vision that brings people together. This helps us to evaluate the ECMAA's current challenges. Please provide your input!

ECMAA's organization Statement – 2011 state:

ECMAA program services include resettlement and adjustment services, information and referral in housing, legal, mental health, medical care education; employment services; immigration counseling; crisis intervention; children's recreational education program and emergency assistance to those in need; and citizenship education and entrepreneurship training. Since its inception in 1981, ECMAA has assisted over 12,000 individuals of all ages from different countries to settle in New York metropolitan area.
