### **ECMAA Annual Membership Meeting**

A year ago, at our last annual membership meeting a new Board of Directors was elected. The ECMAA Annual Report reflects the activities that took place over the year. It also outlines ECMAA's strategic plan and what's happened in the past year. You can find the report and presentation at ECMAA's website www.ecmaany.org.

At the meeting, the Board also presented its objectives, mission and longterm vision. The foundation of the organization is its membership, our ability to fundraise and plan events. We were able to get some feedback and learned:

1. We need to make sure ECMAA programming is widely circulated.

2. We need to actively reach out to the most vulnerable in our community.

3. We need to introduce ourselves as the non-political, non-religious organization we are.

4. We need to ask you to become members and renew your memberships annually.

Please invite us to your place of worship, your small and large communities to share who we are, what we do and how to keep building up our wider community.

#### **Congratulations to Our New Board Members!**

We are excited to welcome Yishak Desta and Bethlehem Tesfaye elected to the Board as Vice President and Board Member. We are also happy to have several volunteers, one of whom Hanna Yesuf who

will serve as a Member at Large representative on the Board as a non-voting member. We are happy to keep growing and learning from each year!

#### **Other Updates**

Members of ECMAA were represented in a small gathering of African Leaders in City Government. Thank you Robel Tekleab for the invitation. It was a very productive meeting that led to collaborations with other African Organizations. ECMAA partnered with a Ghanean and Nigerian organization to apply for funding to ensure the Ethiopian community is counted in the 2020 Census. More to come on this important initiative soon.

#### Activities for the Coming Year

We're developing our calendar for the year and hope to share it with you in the coming month. Please join a planning committee to help us pull it off... check the link below and sign yourself up for a committee.
